Notification regarding Faculty Development Programme on R Programming during Covid19 Outbreak

The outbreak of COVID19 pandemic in India has caused extreme distress to the students/faculty members and is a setback to academic activities. In this moment of crisis, UGC, AICTE and MHRD have endeavored to leverage digital access for continuation of the academic activities by online mechanisms.

It gives us immense pleasure to announce that Department of Computer Application and **Human Resource Development Centre (HRD**C), Integral University is organizing a Free certification cum One Week Faculty Development Programme on **"R Programming"** in association with **Spoken Tutorial, IIT Bombay,** Mumbai, during this pandemic outbreak for the faculty members in the University as well as from other institutions of repute.

Details about the organizing institution:

Spoken Tutorial is an initiative of National Mission on Education through ICT, MHRD, Govt. of India, to promote IT literacy through Open Source Software.

About the Proposed Course:

R is open source software - a well-organized and sophisticated package - that facilitates data analysis, modeling, inferential testing and forecasting. It is user friendly software which allows to create new function commands to solve statistical problems. It runs on a variety of UNIX platforms (and similar systems such as LINUX), Windows and Mac OS.

There is no registration fee. Also, Certification is free of cost from Spoken Tutorial, IIT Bombay.

Notification regarding Faculty Development Programme on R Programming during Covid19 Outbreak

Dear All,

In these unusual times, eLearning and working remotely are becoming the norm rather than the exception. The digital era has opened up a lot of new doors for teaching and learning. eLearning is no longer just an opportunity for universities; it's a must. Teaching with the help of web platforms is a huge business sector and a new pillar of an academical offer.

It gives us immense pleasure to announce that **Department of Computer Application and Human Resource Development Centre (HRDC)**, Integral University is organizing a Free certification cum One Week Faculty Development Programme on **"Moodle: Learning Management System"** in association with **Spoken Tutorial, IIT Bombay**, Mumbai, during this pandemic outbreak for the faculty members in the University as well as from other institutions of repute.

Details about the organizing institution:

Spoken Tutorial is an initiative of National Mission on Education through ICT, MHRD, Govt. of India, to promote IT literacy through Open Source Software.

About the Proposed Course:

Moodle is a free online Learning Management System, providing educators around the world with an open source solution for eLearning that is scalable, customizable and secure with the largest selection of activities available. It enables us to personalize learning in such a way that information is readily accessible, and available in a variety of formats from video to text, that suite all devices. Moodle can be fully integrated to other platforms and services like Google Apps, Microsoft Office 365, NextCloud.

Through this FDP, you will be able to create a seamless learning culture and experience across devices so that you can continually learn new skills and respond to the challenges of today and tomorrow.

If you are interested to take benefits from this Faculty Development Program, you are requested to fill the details in Google form.

There is no registration fee. Also, Certification is free of cost from Spoken Tutorial, IIT Bombay.

Registration Dates: 12th May 2020 to 15th May 2020.	**FDP Dates:** 16th May 2020 to 20th May 2020.
