2 June 2017

Learning Objectives

Learning Objectives

We will learn about

Learning Objectives

We will learn about

- **Custom Exception**

Learning Objectives

We will learn about

- Custom Exception
- Usage of **throw** and **throws** keywords

Software Requirements

Software Requirements

- **Ubuntu Linux 16.04 OS**

Software Requirements

- **Ubuntu Linux 16.04 OS**
- **JDK 1.7**

Software Requirements

- **Ubuntu Linux 16.04 OS**
- **JDK 1.7**
- **Eclipse 4.3.1**

Prerequisite

Prerequisite

- **Basic knowledge of Exception Handling**

Prerequisite

- Basic knowledge of **Exception Handling**
- **For relevant tutorials, please visit <http://www.spoken-tutorial.org>**

Custom Exception

Custom Exception

- **Custom Exception** is a user defined exception class

Custom Exception

- **Custom Exception** is a user defined exception class
- **It is usually created as checked exception**

Custom Exception

- **Custom Exception** is a user defined exception class
- It is usually created as **checked exception**
- It is used to customize the exception according to user need

Summary

- What is a **Custom Exception**
- Usage of **throw** and **throws** keywords
- How to create and use **custom exception**

Assignment

- Create a custom exception class **InvalidAgeException**
- Create another class **Age** and create a constructor to initialize the value of age
- Create **validate()** method to throw the above exception if **age < 18**

Assignment

- Create objects inside **main method** and invoke the **validate()** method
- Provide exception handling using **try-catch blocks**
- Verify the **custom exception class**

About the Spoken Tutorial Project

- Watch the video available at http://spoken-tutorial.org/What_is_a_Spoken_Tutorial
- It summarises the Spoken Tutorial project
- If you do not have good bandwidth, you can download and watch it

Spoken Tutorial Workshops

The Spoken Tutorial Project Team

- Conducts workshops using spoken tutorials
- Gives certificates to those who pass an online test
- For more details, please write to contact@spoken-tutorial.org

Acknowledgements

- Spoken Tutorial Project is a part of the Talk to a Teacher project
- It is supported by the National Mission on Education through ICT, MHRD, Government of India
- More information on this Mission is available at <http://spoken-tutorial.org>
