System Requirements

To record this tutorial, I am using

- **Ubuntu Linux 16.04 operating system**

System Requirements

To record this tutorial, I am using

- **Ubuntu Linux 16.04 operating system**
- **Android Studio version 3.x**

System Requirements

To record this tutorial, I am using

- **Ubuntu Linux 16.04** operating system
- **Android Studio version 3.x**
- **Android Phone with minimum of Android OS version 4.03**

Pre-requisites

Pre-requisites

- Java programming language

Pre-requisites

- **Java programming language**
- **Android Studio**

Pre-requisites

- **Java programming language**
- **Android Studio**

Pre-requisites

- Java programming language
- Android Studio

If not, please refer to the relevant tutorials in this series on this <http://spoken-tutorial.org>

Summary

In this tutorial we have learnt to

- **Create a Registration form with TextView, Plain Text and Buttons**
- **Run the Kotlin App to see the output in an Android phone**

Assignment

- 1 In the **activity_second.xml**, add two **TextViews** in the **Layout Editor**
- 2 In the first **TextView**, change the text attribute to **Registration Form**
- 3 In the second **TextView**, change the text attribute to **Spoken Tutorial**

Assignment (cont.)

- 4 **Remove the existing constraint and align the tools**
- 5 **Run the Kotlin App to see the output**

About the Spoken Tutorial Project

- Watch the video available at http://spoken-tutorial.org/What_is_a_Spoken_Tutorial
- It summarises the Spoken Tutorial project
- If you do not have good bandwidth, you can download and watch it

Spoken Tutorial Workshops

The Spoken Tutorial Project Team

- Conducts workshops using spoken tutorials
- Gives certificates on passing online test
- For more details, please write to contact@spoken-tutorial.org

Forum for specific questions

- Do you have questions in **THIS Spoken Tutorial?**
- Please visit <http://forums.spoken-tutorial.org>
- Choose the minute and second where you have the question
- Explain your question briefly
- Someone from our team will answer them

Acknowledgements

- **Spoken Tutorial Project is a part of the Talk to a Teacher project**
- **It is supported by the National Mission on Education through ICT, MHRD, Government of India**
- **More information on this Mission is available at**

<http://spoken-tutorial.org/NMEICT-Intro>

Thank you

- The **Android app** and the script for this tutorial was contributed by **Abhishek Shah** (*FOSSEE Fellow 2018*)
- The video has been created by **Spoken Tutorial team, IIT Bombay**
